SPECIAL PROGRAMS GIFTED AND TALENTED STUDENTS

EHBB (LEGAL)

A district shall establish a process for identifying and serving gifted and talented students and shall establish a program for those students in each grade level. Under this provision, a district may establish a shared services arrangement with other districts.

A district shall adopt a policy regarding the use of funds to support the district's program for gifted and talented students.

Education Code 29.122

Definition

"Gifted and talented student" means a child or youth who performs at or shows the potential for performing at a remarkably high level of accomplishment when compared to others of the same age, experience, or environment and who:

- 1. Exhibits high performance capability in an intellectual, creative, or artistic area;
- 2. Possesses an unusual capacity for leadership; or
- 3. Excels in a specific academic field.

Education Code 29.121

Identification

Students shall be identified as gifted/talented in accordance with a written policy that includes:

- Provisions for ongoing screening and selection of students who perform or show potential for performing at remarkably high levels of accomplishment in the areas defined in Education Code 29.121.
- 2. Assessment measures collected from multiple sources according to each area defined in the Texas State Plan for the Education of Gifted/Talented Students.
- 3. Data and procedures designed to ensure that students from all populations in a district have access to assessment and, if identified, to services provided for the gifted/talented program.
- 4. Provisions for final selection of students to be made by a committee of at least three local district educators who have received training in the nature and needs of gifted students.
- 5. Provisions regarding furloughs, reassessment, exiting of students from program services, transfer students, and appeals of district decisions regarding program placement.
