3. Students are expected to attend regularly and promptly.
4. A nonresident student wishing to transfer into the District shall file an application for transfer each school year with the Superintendent or designee.
5. A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District. Violations of the terms of the agreement may result in a transfer request being revoked.
6. A student transfer may be revoked whenever the principal establishes that any or all conditions are not met:
  - a. Has been truant
  - b. Fails to maintain satisfactory conduct.
  - c. Fails to maintain passing grades.
  - d. Fails to be punctual.
  - e. Commits an act considered by the principal to be prejudicial to the interest of the school.
7. Student transfer may be revoked for false information.
8. Students in their home attendance zone will always have first priority in campus assignments/scheduling.

I, as Parent/Guardian, understand that this constitutes a transfer request only. I also understand that official approval for the transfer cannot be given only until such time as the Superintendent of Schools so acts on it.
